## Saturday Fire

### LANDMARK RESTAURANT DESTROYED

Harbor Beach Restaurant, evolved from one of the large fine summer estates that were built by wealthy summer residents in the early 1900's, was gutted by fire Saturday morning. The 7:15 alarm brought Mattapoisett firemen to the scene where they battled the blaze through the entire morning assisted by the fire departments of Marion and Wareham with the Fairhaven Fire Department standing by in the town. Raging flames broke through the roof and firemen fought for control for more than 2 hours. The kitchen area was still stubbornly smoking heavily at noon. The fire was completely out at 3:30 Sunday morning.

Members of the Mattapoisett Firefighters' Auxiliary were at the fire all day and served over 200 cups of coffee, over 100 sandwiches, 8 dozen donuts, lemonade and punch to the firefighters.

Fond memories abound of Harbor Beach which has been the scene of so many local parties, banquets, wedding recep-

tions and festive occasions of every sort. It was the largest facility of its kind in this area and none commanded a finer outlook on Buzzards Bay.

The restaurant era began with James and Mary Lynch and survived hurricane damage during their ownership and several times more recently. Partners Bob Carrier, John Mort and Ray Anderson took over from the Lynches. Then Mort and Carrier operated it until Carrier became sole owner. Over that 20 years Harbor Beach Club improved and grew in size and reputation as additions were completed and the inside renovation completed.

The result was a restaurant of 400 capacity which was purchased by John Stavros who has operated it since 1978.

'81 budget was \$15,985. Before the vote on Proposition 2 1/2 the committee had planned an '82 budget request of \$24,110.40 for operating plus a capital request for \$9,000 for resurfacing the tennis courts at Center School. Recreation Director Barry Haskell presented Selectmen with a revised budget request of \$19,262 for operating the town recreation program. He and the Recreation Committee presented a detailed program and said that the revised figure would enable the committee to carry it out and include new sports such as soccer. Haskell said that more boys and girls were participating in the summer programs and had expressed a desire for inter-town competition rather than the intramural sports. He said

that the increase was mostly for new equipment and for replacing used protective gear. The Selectmen told Mr. Haskell and his committee that while they appreciated their efforts and the expanded program the town simply did not have the money. They asked that the level be kept to the fiscal '81 \$15,985 which they voted to accept.

### POLICE BUDGET

Police Chief Duane Tuttle and Lt. James Moran presented a budget estimate of \$323,991.26. After a prolonged discussion Selectmen tabled the Police Department budget to await the outcome of control negotiations with the Police Brotherhood since the budget is predominantly wages (\$279,980). Selectman William Hubbard told Chief Tuttle that the Selectmen desired extra patrol in the beach area during the summer months so that \$9,773 worth of extra gasoline should be allowed for. The Chief told Selectmen that extra money was also needed for increased radio service policy cost and increased computer service. Roughly estimating that extra cost could come to over \$29,000 (including projected cost of living wage hike). Tuttle suggested that the town has an alternative which could

#### BAND BUDGET

After conferring with Paul Alves representing the Community Band Selectmen approved \$3380 for the concert season. Mr. Alves' request for fiscal '82 was \$3600 which included \$220 for part time musicians. He had also asked for \$500 for new music to vary the programs. Selectmen suggested that Mr. Alves contact the service clubs in town to see if they would be willing to fund some or all of the music needs. Mr.

Alves was very receptive to this suggestion and said that he and John Pandolfi had agreed that they could live with the budget and had the option of holding a shorter concert series if necessary.

#### COUNCIL ON AGING

Selectmen approved a requested \$8801.75 budget for the Council on Aging. The Council had a raise of \$705 for the clerk but had cut \$1000 in long big bus trips to account for the \$295 decrease.

#### HISTORICAL COMMISSION

Selectmen approved a \$350 budget for the Historical Commission up from \$250 for FY '81. Mrs. Priscilla Hathaway said that her team of dedicated volunteers had nearly completed the work in the archives in Plymouth requiring many hours of searching records and if not completed with this dedicated group it might never be. She said the reason for the extra requested \$100 was for historical markers which add much to the tourist interest in the town and are much appreciated by the owners of the property.

#### BATHING BEACH

Selectmen conferred with Beach Director Albert Boucher discussing various alternatives to the beach operation. Mr. Boucher had re-

quested \$18,355 for the 10-week season vs FY '81 - \$16,971.10. Mr. Boucher said that the beach could be opened for a shorter season than the planned 10 weeks or that a shorter day might be preferable making a 35 hour week for the personnel.

The Board suggested that Mr. Boucher consider the alternatives and meet with them again in the Spring. They approved the \$16,971.10 budget figure.

### AMBULANCE DECISION

Chairman R. William Blasdale reported that the concensus on the ambulance conference regarding a volunteer ambulance crew had been that the ambulance is now being run as well as it can and the best plan would be to leave it as it is. Both Fire Department and Emergency Squad members had agreed that it is important that the police (who are available) get the ambulance to the scene and then both fire and emergency men are glad to assist.

## WORLD DAY OF PRAYER SERVICE - MARION

An ecumenical service in observance of World Day of Prayer will be held on Friday, March 6, at 7:30 p.m. at St. Gabriel's Episcopal Church in Marion. Some 150 countries will share in the observance of this year's theme "The Earth is the Lord's". The service was prepared by American Indian women for the Church Women United who sponsor this annual event. The litany is based on a Sioux ceremony and incorporates a most timely focus - the healing and care of the earth and its resources.

Marion area church representatives for the planning of the ecumenical service are Elaine DeSorcy and Mary MacLean, St. Rita's Roman Catholic Church; Mary True and June Blanchard, United Methodist Church; Thelma Ostenfeld and Jane Sabeau, First Congregational Church; and Daryl Lima, St. Gabriel's Episcopal Church.

All are cordially invited to attend the service and remain for a fellowship hour

Mrs. Diane M. Desnoyers of 39 Shore Drive, Mattapoisett will serve as Cancer Crusade Chairperson in Mattapoisett, it was announced by Doreen Sylvia, President of the Greater New Bedford Unit.

The 1981 Cancer Crusade will culminate on April 28th with a house-to-house solicitation in Mattapoisett and throughout the state, Mrs. Desnoyers noted. Statewide, more than 100,000 volunteers will participate in this effort.

"The emphasis of the 1981 Crusade is on the individual. We're out to tell people that it's what they don't know about cancer that can hurt them. We want each one of them to become familiar with our cancer control programs."

Mrs. Desnoyers urged Mattapoisett residents to join in the Massachusetts Cancer Crusade by becoming ACS volunteers, having a health checkup and giving generously when their American Cancer Society volunteer calls.

Mrs. Desnoyers is a graduate of Bishop Stang High School. She graduated from SMU with her B.A. in Psychology, and her B.S. in nursing.

Mrs. Desnoyers is employed as an R.N. for St. Luke's Hospital Visiting Nurse Service.

Mrs. Desnoyers is a facilitator for the American Cancer Society and is involved in the Smokers' Liberation Program. She is also a member of the SMU alumni and South-eastern Massachusetts Health Planning & Development Association.
